PRESIDENT'S MESSAGE

This will be my last letter as your president. I regret that I could not do more for the Associaton and for the member clubs.

Our secretary, Russ Southworth had heart by-pass surgery on August 4 and is now home. He is doing well and keeping up his secretarial duties. We wish him well and are looking forward to having him on the jump at the convention.

Our convention at the Mission valley Inn in Raleigh, October 2nd through the 4th promises to be a good one. Charles Hoskins will be there to identify and grade your coins. A representative from Krause Publications and many other well known persons will be in attendance.

If you have not yet sent in your nominations for our prestigious awards, the H. Fred Simpson, Jr, Numismatist of the Year Award and the Jimmy Jackson Memorial Award for the Young Numismatist of the Year, send them to the Secretary right away.

Aaron Bass of the Raleigh Coin Club is Exhibits Chairman and he would like to have your exhibits. We are expecting some good ones this year.

See you in Raleigh.

Autence A. Bason, President

DID YOU KNOW?

The so-called "War NIckel" of 1942 through 1945 was the only five cent coin since 1868 to contain none of the element nickel. It was 35% silver, 54% copper and 9% manganese, a larger fraction of manganese than any other coin ever produced.
